## **HOW WE ARE DIFFERENT FROM OTHER OPHTHAL COMPANIES**

- **We have 10 years old legacy in derma and cosmetic segment in which we have pan India presence & serving approx. 800 dermatologists.**
- **Rather than getting our products manufactured from GMP certified units we are manufacturing from WHO GMP Units so Our Quality is at par with Multi-National Companies. Even our manufacturer is same as Top Indian companies.**
- **We have maintained uniformity in our products packing design so that it looks entirely unique and different.**
- **Most of our products are registered with IP India government organisation.**
- **All our Packing boxes are in DRIP OFF and ITC paper only.**
- **We have dedicated & prompt Product Management Team (PMT) to answer all your queries.**
- **We have a good presence on all social media platforms so that everyone can recognise us by name.**
- **We usually dispatch on the same day of the order.**
- **We have very less shortages as we keep sufficient stock of all products.**
